Dai6 gaa1 hou2 '𠵼}(Hello everyone). For those new students that have just been added to this email update list, fun1 jing4 ai (Welcome!!!)

Some of the students have been asking about Chinese Flashcards. Here are a few sites i found...

New version of Flashcards (Awesome!)

Learn Cantonese Flashcards!

Yellow Bridge Flashcards

I believe all of these offer Pinyin as well as Jyut6 ping3 romanization. I'm sure there are more available. Lots of those Chinese language websites may offer or have links to flash cards, but this will get you started. I generally just make up my own on index cards, but i probably have a lot more free time than most of you.

Don't forget our classes this Saturday. See schedule below...And I hope you all have a very Happy and Safe Halloween..
